Where these figures come from. Prices: Zizzi official ordering menu (Azzurri/OpenR platform) (302).

Allergens: Zizzi UK Allergen Guide 2026, V5 (16 June 2026) (297). The allergen column counts the regulated allergens the chain declares for that item. The item's own page names them.

* marks a price taken from a dated third-party listing rather than the chain itself. A shared kitchen means cross-contact is always possible, so ask staff in the restaurant if an allergy is severe.
